Dear Ms. Dortch:

Over the last two days, the undersigned has had discussions with Marilyn Jones of the Wireline Competition Bureau in connection with the VoIP Numbering Trial Proposal ("Proposal") that Millicorp filed in the above-referenced dockets. During these discussions, Millicorp provided updates on the current status of its Proposal and related compliance requirements. Millicorp also hereby informs the Commission that the Florida Public Service Commission ("FPSC") informed Millicorp that the FPSC does not require Millicorp to file a copy of the Proposal with the FPSC. In addition, Millicorp contacted the Georgia Public Service Commission ("GPSC") to discuss the Proposal and Millicorp also submitted to the GPSC, per its request, a copy of the Proposal.

Please do not hesitate to contact me with any further questions or concerns regarding this matter.

Sincerely,

Duane Dyar
Vice President/Operations
Millicorp
